Re: Westlawn Surgery Center, LLC
CN1911-046

Dear Mr. Grant:

Physicians Pavilion Surgery Center, StoneCrest Surgery Center, and StoneCrest Medical Center hereby register their opposition to this project. Physicians Pavilion is a licensed multi-specialty ASTC with 4 operating rooms and 1 procedure room operating in Rutherford County. StoneCrest Surgery Center holds a CON for a new multi-specialty ASTC with 2 operating rooms and 1 procedure room, also to be located in Rutherford County. Both are within the ownership structure of the Ambulatory Surgery Division of TriStar/HCA. TriStar StoneCrest Medical Center has 8 operating rooms and 5 procedure rooms, and would likely be adversely impacted by the proposed Westlawn Surgery Center.

The Westlawn Surgery Center project does not meet the “need” or “orderly development” criteria for CON approval and the application for a CON should therefore be denied. Representatives of Physicians Pavilion and StoneCrest Surgery Center will attend the HSDA meeting at which this project is considered in order to more fully express these objections. Thank you.

Sincerely,

BURR & FORMAN, LLP

Jerry W. Taylor
